

NORTHLANDS

Have a question or concern while at a live event?

Northlands is committed to delivering exceptional Live experiences for our guests at Rexall Place through innovative programs and state-of-the-art services.

In an effort to enhance our guests experience at Northlands in Rexall Place, Northlands has teamed up with GuestAssist, a company that provides two-way text messaging-based communication between ticket holders and Northlands arena staff, allowing for improved management and response to guest concerns and questions.
